Fire Risk Assessment C.D

Ask yourself these questions:

- How safe is your business from Fire?
- Have you got an effective Fire Emergency Plan?
- Do your staff know what to do in the event of Fire?
- Have you made a Fire contingency plan?
- Have you carried out a Fire Risk Assessment?

Training CD includes:

The training package includes

- Full powerpoint presentation
- Fire risk assessment guidance notes
- Fire Safety Order, power-point overview
- Comprehensive fire risk assessment templates.

Everything you need to carry out
a comprehensive Fire Risk
Assessment

This Fire Risk Assessment C.D suggests information that should be contained in a fire risk assessment record. When completed using the comprehensive templates provided in accordance with all suggestions it may serve as a record of a fire risk assessment as required by the Regulatory Reform Fire Safety Order 2005 and Management of Health & Safety at Work Regulations 1999.

Cost effective training for only £49.99p each. Buy online.
