Fire Safety / Health & Safety Training

Tel – 01244 550253. [www.essentialtrainingsolutions.co.uk](http://www.essentialtrainingsolutions.co.uk)

**New!**

## Ladder Safety Toolbox Talk CD.

Many workers are killed or injured each year while using ladders. Falls from height remain one of the biggest causes of workplace deaths and one of the main causes of major injury. Make sure *your workforce* know how to use Ladders correctly and keep safe when working at height.

- Falls from height
- Work at Height
- Relevant Legislation
- UK ladder Standards / Ratings
- Ladder Inspection and maintenance
- Ladder use
- Do's and don'ts when using a ladder
- Step ladder safety
- How to store ladders

### **Each Training CD includes:**

- Delegate Training notes
- Certificate of Attendance.
- Course evaluation form.
- Course Attendance form.
- Training Record form.

We supply complete training solutions by provision of training materials, training consultants and arranging appropriate courses.
